Located in the Geneva countryside in a park of over 13,000m2 is this 18th century master property consisting of a mansion, a large outbuilding adjoining a vast farmhouse, a detached 7-room house, and two sheds. The mansion features a French formal walled garden, a swimming pool, and a tennis court outside the walls. This property offers a rare authenticity and an important potential. As it stands, it is in need of renovation and some works need to be scheduled.
